5:45 p.m. Networking / 6:15 p.m. Dinner / 7:15 p.m. Guest Speaker followed immediately by our AGM and elections

APRIL 27, 2017
TCB PRESENTS:

The Power of Cultivating Your Professional Image

Image matters in your professional and personal life. It communicates your success without saying a word. This presentation empowers participants to take control of their image and develop their own personal brand. By learning the correct tools to dress appropriately for any occasion they become Chief Executive Officer of their brand. They will gain confidence and credibility through dressing successfully in all areas of their life. After this presentation participant's will:

- Find out how image relates to self-branding;
- Discover the power of wearing colours and authentic styles; and,
- Walk away with practical tips on fit and dressing for all body types.

About the Speaker
