

January: Month of Inspiration

The Association of Administrative Assistants, Calgary Branch is pleased to present **Heather Morely**, Vice President of Programs and Services for the YWCA of Calgary as our guest speaker for our Inspirational Month!

Heather, is responsible for providing leadership and direction to all of the organization's services that serve vulnerable women and their families. She brings twenty-five years of progressive experience in the human services sector and has worked for numerous community-based and government organizations across Canada and in the United States in front line, clinical and leadership capacities.

The focus of her work has always been women and children in crisis.

Please join us on January 16th, for an interesting and interactive evening as Heather shares her experience and vision to empower women to thrive in a safe and equitable community
