February is VOLUNTEER month!

The Mustard Seed has been serving people experiencing poverty and homelessness in Alberta since the '80s. It has become a haven for those needing help, which is offered through open hands with unconditional love.

The Mustard Seed in Calgary offers an expansive range of innovative programs and services, including education and employment programs, health and wellness services, basic needs through a shelter for 370 men and women, spiritual care and housing. In March 2014, The Mustard Seed opened the 1010 Centre, which provides homes to 224 low-income individuals, many of whom have just come out of homelessness.

Please join us on Wednesday February 22nd, 2017 as we come together to volunteer at The Mustard Seed Sorting Centre. We will sort donations and organize them for delivery. It's important to wear casual clothing, runners and a baseball cap.

Alone we can do so little...

TOGETHER we can do so much!
