

November is Community Month

Calgary Drop-In & Rehab Centre Society (The DI)

November 21, 2016

Our guest speaker Mark Powers is the Manager of Resource Development for the Calgary Drop-In & Rehab Centre Society (The DI) and has been with the organization for 14 years. His life experience fueled his passion to help other individuals.

The DI-Centre provides homeless individuals with opportunities around *Health, Job Placement, Counselling, Employment Training, Basic Needs, Housing, Sheltering* and much more. It provides valuable options to individuals going into housing programs and run programs to prevent homelessness like the *Computers for Low Income Calgarians*.

Join us on November 21 to hear Mark speak about his life on the streets, how people survive and about shelters providing care to individuals who have no one or nowhere else to turn to.

Don't forget to "fill-a-purse", we will be presenting the donations to Mark on behalf of our Association that day (list attached for your information)
